Goals:

1. Encourage lifelong reading by developing and participating in school and community projects that promote literacy.
2. Provide high quality, practical professional development for local council members at each meeting.
3. Increase or maintain local, state and IRA membership by promoting and advertising benefits to area teachers and community members.
4. Provide frequent communication between the executive board, building representatives, and council members through flyers, electronic mail, and our website.

Lake Agassiz Reading Council

If reading is your passion...
If you want to spread the joy of reading to all, big and small...

If you are eager for professional learning opportunities...

If you enjoy meeting with gung-ho advocates for literacy...

Then LARC is for you!

We are a membership organization that is open to anyone who is interested in promoting literacy education in our region's schools and communities. We host professional development meetings throughout the school year.

We are the local branch of an International Organization.
